Experience / Organizations

Baylor University – Waco, TX

2024-present

Community Leader, Honors Residential College

- Serve as primary contact and lead role model for 20+ on-campus students in a residence hall, integrating Christian leadership and intentional relationship building.
- Organize monthly events aligning with Campus Living and Learning goals of faith development, life together, self-advocacy, cultural humility, and intellect.
- Work cooperatively with a team of 11 other Community Leaders, Residence Hall Directors, and other professional staff.

University Innovation Fellows

2024-present

Director of Recruitment & Communications

- Interacted with various academic deans, administrative staff, and campus personnel to procure funding and ensure stakeholder support.
- Collaborated with Chartwells Dining Services and Baylor Procurement and Payment Services to explore methods of reducing on-campus food waste.
- Participated in 2025 UIF gathering at the University of Twente (Enschede, Netherlands) to strengthen global connections and build skills in innovation and design.

Association of Computing Machinery

2025

President

- Collaborate with campus partners and industry connections to facilitate social, networking, and professional development events.
- Coordinate and direct weekly executive board meetings
